* Discounts for multiple classes		

All classes are session-based and registration is required.

Students should expect to complete a year's study in each level (age appropriate) before moving up to next level. Placement is at the discretion of teacher.

These classes are a great way to be introduced to dance and offer young dancers the opportunity to gain an understanding of how their bodies move and how to communicate through dance. Plus they are a lot of fun!

**Registration forms available online December 1st**  
**Register before December 11th and receive \$10 off class fees!**
