

Fall Session Classes / SEP 14 to DEC 6
Studio Policies and Procedures for Students
No Youth classes Monday, NOV 23 through Sunday, NOV 29

In-Person Class Overview

- Masks must be worn at all times.
- Students only are allowed in the building (no parents, siblings or children).
- Temperatures will be taken at the door before being admitted to the building. If you have any symptoms of the flu or COVID-19, do not attend class.
- Students should arrive dressed and ready for class (changing rooms are not available).

Drop Off + Pick Up

- All students will be let into the building 5 minutes prior to the start of class.
- Doors to the building will remain locked at all times. Someone at the front desk should see you arrive, but you may call 503-421-7434 if you need access to the building. Please ensure physical distancing by standing at least 6-feet apart while waiting to be let in for class.
- Please be punctual picking up dancers as there is no waiting area for dancers after class.

Entering and exiting the studio

- Dancers may enter the lobby two at a time after a temperature check. They must remove their shoes, and place all belongings in a cubby in the lobby. There may only be two dancers at the cubbies at a time to ensure proper distancing.
- All shoes and personal belongings must be kept in cubbies in the lobby. Only water bottles and pointe shoes are allowed in the studio.
- Hands must be washed or sanitized before entering the studio.
- Water break stations are marked in each studio. Please be sure all students leave their water bottles at the water stations.
- Ballet 4 + 5 will set up their own barres in the order that they enter the studio. Ballet 1 – 3 will have pre-set barres.
- Cups are not provided for water. Please bring a water bottle.
- There are two gender-neutral restrooms available. Only one dancer may use each restroom at a time. Dancers should check with front desk staff before entering the restroom to help us control traffic through the hallways.
- If students need to remove their masks for air, please step outside the building. Be certain to notify front desk staff before going outside.
- All classes must end on time due to staggered arrival and departure times. Youth students will be released from the studio two at a time so that they can remove their belongings from the cubbies.
- Students who have multiple classes must remain on their “X” to stretch or warm up while waiting for their next class to start.

Student Cleaning Procedures

- Students in Levels 3 – 5 are responsible for returning their barres and wiping them down using disinfectant wipes provided in the studio. Wipes should be disposed of in the trashcans provided. After barre, dancers should use hand-sanitizer.
