YOUNG CREATIVES

Repertoire for dancers enrolled in Professional Training Program Levels 4 + 5

Class	Meeting Times	Teacher	In Studio Tuition	Virtual Tuition
YOUNG CREATIVES	Saturday 1:30 –3:30PM	Andrea Parson	\$0 with Professional Training Program	Not available

Our **Young Creatives Program** focuses on nurturing the next generation of artists with the addition of choreography-based rehearsals. Today's dancers are asked to improvise, reinvent steps, change musicality and make their own artistic choices. Technique alone is not enough – dancers must also be creators.

Young Creative rehearsals are provided at **no additional tuition cost** to the students and families. Rehearsals are scheduled once a week and students **must attend all rehearsals** to be considered for performances and other opportunities. Students will only be excused for illness or emergencies.
